Helping the world through the power of touch!

## Facts about massage therapy:

- **Jobs in massage therapy are expected to increase faster than average.**
- **Graduates of this program are eligible to take the National Certification Exam.**
- **Most massage therapists are self-employed, however there are many opportunities in the Savannah area as well as all over the USA.**
- **Average earnings for self-employed massage therapists is between \$40—\$60/hour. If working in a clinic, spa, salon, etc., practitioners usually make a percentage.**
- **To succeed as a massage therapist you will need good physical conditioning, mobility, and good interpersonal, communication, listening, and critical thinking skills.**
- **You must also be self-motivated, positive, and hard-working.**

**We offer VA Benefits, Federal Financial Aid, Private Student Loans, and Monthly Tuition Payment Plans.**

## Graduate Testimonials:

I like that this is a small school and not so crowded that it would make it hard to get in a class that was required. SSOMT has a welcoming environment and is clean, peaceful, and professional.” ~ **Tawnie Horton, Class of 2007**

“All the teachers were knowledgeable and friendly seeking every question with a positive answer or solution.” ~ **Miles Latham, Class of 2007**

“I learned a lot of information at SSOMT. It was a great learning experience. I made new friends and feel that I can always call or come back if I need help with anything.” ~ **Jennifer Hargrove, Class of 2006**
